

Grange Business Hub

We are here to help you make running your business easier. We offer a range of low cost services for entrepreneurs, home workers, new businesses and trades people including:

- Business address

- Post collection & forwarding

- Hot desking
- IT services
- Training & meeting rooms

- Web site design
- Office services
- Business advice

- On-site parking

Our business hub:

- Is a great way to trial, develop or establish your business
- Allows you to operate your business without incurring the high costs of office overheads
- Provides a practical and stimulating alternative to home working

And there are no set up costs or lengthy contracts to tie you in.

Please visit Grange Business Hub for more information.
